Spandex.

Spandex is one of the world's leading trade suppliers of materials, sign systems, displays and equipment to the sign making and graphics industry.

With over 30 years of experience and offices in 13 countries worldwide, Spandex Asia Pacific supplies products from leading materials manufacturers including Avery Dennison™, Arlon and its own brand ImagePerfect™.

- Customer service representatives ready to help you choose the right materials for the job
- A large national stock holding, consisting of 26,000 products available for next day delivery
- 99.6% of orders delivered next day
- Application specific training courses
- Expert advice and guidance

The range.

ImagePerfect™ offers one of the widest range of materials and accessories for signage and graphics available on the market today.

This ImagePerfect™ Digital Materials Product Guide presents a carefully selected range of high quality materials at every day pricing to meet the application needs of today's graphic producers.

The range is specifically designed and profiled for latex, eco-solvent, solvent and UV wide format print devices. Whether it's every day vinyl graphics or complex textile displays, ImagePerfect™ does it all.

How to order.

Ordering materials from Spandex couldn't be easier.

Our National Customer Service Teams are available from 8.00am to 5.00pm, Monday to Friday.

If you are a non-account customer, you can still purchase from Spandex. Simply call us now on the number below.

ImagePerfect Surface Cleaner PRO

ImagePerfect™ Accessories

Surface Cleaner PRO

A powerful cleaning option that allows for the professional preparation of vehicles, acrylics, glass, anodised aluminium, PVC banners and many more.

Magic Apply

Facilitates application onto difficult surfaces such as vehicles, glass, mirrors and trailer tarpaulins. Not recommended for corrugations or rivets.

Adhesive Remover

Ready to use product for the removal of adhesive remains off substrates such as vehicles, windows, sign boxes, plastic substrates, anodised aluminium and many more. Does not contain hazardous materials.

Vinyl Remover

A highly effective and versatile product that can be used for removing self-adhesive vinyl including the adhesive from a wide variety of surfaces, car bodies (e.g. vehicle wraps), acrylic sheets, windows, glass, many plastic substrates, whiteboards, anodised aluminium.

Squeegees

A high-quality range of squeegees designed for faster and more consistent vinyl application.

Mounting Tape

A very strong and durable double sided adhesive tape, ideal for POS, roll up displays, synthetic materials, paper and coated textiles.

Heat Transfer Application Tape

A clear high-tack polyester application tape specifically designed for heat transfer materials. Utilises both a film and adhesive system that are heat resistant, thereby ensuring there is no shrinkage of the product in the heat press.

Seam Tack Tape (Banners)

A double-sided tape designed for the seaming and splicing of PVC banners.

Terms and conditions.

Important Notice

All statements, technical information and recommendations set out in this document are based on tests we believe to be reliable, but their accuracy or completeness is not guaranteed and the following statements are made in lieu of all warranties, expressed or implied, including any implied warranties of satisfactory quality and/or fitness for purpose. The only obligation of Spandex Asia Pacific Pty Ltd or the manufacturer of a particular product shall be to replace such quantities of the product that are proved to be defective.

Before using a product, the user shall determine the suitability of that product for its intended purpose. The user assumes all risk and liability whatsoever in connection therewith.

NEITHER SPANDEX ASIA PACIFIC PTY LTD NOR THE MANUFACTURER OF THE PRODUCT SHALL BE LIABLE IN ANY WAY (WHETHER IN TORT, CONTRACT OR OTHERWISE) FOR ANY LOSS OR DAMAGE, WHETHER DIRECT, INDIRECT, INCIDENTAL OR CONSEQUENTIAL, ARISING OUT OF THE USE OF OR THE INABILITY TO USE ANY OF THE PRODUCTS REFERRED TO IN THIS DOCUMENT, SAVE FOR DEATH OR PERSONAL INJURY CAUSED BY ITS OWN NEGLIGENCE.

No statement or recommendation made in connection with the products or contents of this document shall have any force or effect unless specifically set out in a written agreement signed by officers of Spandex Ltd and the relevant product manufacturer. All trademarks and trade names contained in this document are the property of their respective holders and are hereby acknowledged. All goods supplied by Spandex remain the property of Spandex Ltd until paid for in full. Contact Spandex Ltd for full written details of the Terms and Conditions of Sale.

Prices correct at time of print - may be subject to change. Prices shown excludes GST.

Full Terms and Conditions of Trade for Spandex Asia Pacific Pty Ltd can be found at www.spandex.com.au and the Spandex Products guides, or by contacting your local Spandex branch.

Spandex is proud to stock the largest range of sign making and digital print consumables in Australia. We are also able to access an additional range of specialist niche products from our warehouses in the UK and Europe. If you do not see the product you require in our catalogues, please ask your account manager and we will do our best to source it for you.

Freight Charges

- Orders with nett value* of over \$450.00 will be shipped "freight free" by Spandex's choice of freight company, excluding air freight.
- A separate surcharge of \$15 will be payable for the shipment of any dangerous goods on all orders.
- A separate surcharge of \$38 will be payable per delivery for the shipment of any rigid substrates on all orders.
- For orders under the qualifying "freight free" amount as set out above, the following freight charges will be added to your invoice accordingly:
 - (a) Local and intrastate road freight. Area categories include:
 - (i) Melbourne, Brisbane, Adelaide
 - (ii) Perth, Launceston, Hobart
 - (iii) Victoria, Queensland or South Australia country areas
 - (iv) Western Australia, Tasmania, Northern Territory country areas
(Contact your local branch for price details)
 - (b) Express freight (limited service) upon your request.
 - (c) CTI Parcel charges upon your request
 - (d) Express / Urgent Courier charges upon your request
 - (e) Additional costs for large items (including Sheets and Pallets)
 - (f) Air freight upon your request.

*nett value means after discount and before sales tax

Returning Goods

Goods ordered that are no longer required will only be accepted for return on a discretionary basis. Only non-damaged, standard roll lengths in the original packaging would be considered. A handling and collection charge will apply.

Material Tolerances and Joins

All materials are supplied within +/- 1 % of the length requested. Slit-to-width materials are supplied within +/-1 mm. Sheet materials are supplied within +/- 2mm on each dimension. Material manufacturers' policies vary regarding joins in rolls.

Product Specification & Application

Spandex recommends that before using any product you should ensure that it is fit for purpose, and that any special application instructions are followed as per the data sheet.
